## Money, finances, and banking services in Mexico

This free eBook is a complete guide to money, currency and banking services in Mexico.

This guide gives you a comprehensive overview of Mexico's money system as well as the banks and banking services available that help to facilitate the commercial interactions you'll need to engage with while you're here.

- ◆ The Mexican peso – learn about the country’s currency and its banknotes
- ◆ Bank cards – using debit, credit cards and ATMs in Mexico
- ◆ Money exchange – learn about different ways of exchanging foreign currency for Mexican pesos and vice versa
- ◆ Money transfers – how to transfer money to, from and within Mexico
- ◆ Money essentials – money and banking safety tips and local knowledge
- ◆ Opening a Mexican bank account – the requirements and mechanics of opening and running a bank account in Mexico
- ◆ Banking services – services and facilities offered by Mexican banks, as well as a profile of the principal banks and financial institutions
- ◆ Credit and loans – learn about the credit system and how to apply for loans and credit cards in Mexico

The Guide to Money and Banking Services in Mexico is fully cross-referenced with articles on Mexperience and provides you with a definitive guide to managing your money and making use of banking services in Mexico.
